About Bharat Chemical Tech Expo

Bharat Chemical Tech Expo 2026 is India's most comprehensive platform dedicated to the chemical, process, and allied industries.

The three-day exhibition unites manufacturers, suppliers, distributors, and technology innovators from across the globe to explore new business opportunities and collaborations.

HIGHLIGHTS:

250+

Exhibitors

10,000+

Trade Visitors

75,000

Sq. ft. of Exhibition Area

WHY VISIT?

↗ Discover the latest technologies and sustainable solutions.

↗ Network with global leaders and industry pioneers.

↗ Source high-quality raw materials, equipment, and process innovations.

↗ Learn from expert-led conferences and product launches.

Explore the Entire Chemical Ecosystem

01

Specialty Chemicals

Additives, surfactants, catalysts, and polymers driving industrial innovation.

03

Paints, Coatings & Adhesives

Pigments, resins, emulsions, and specialty coatings for diverse applications.

05

Home & Personal Care Ingredients

Fragrances, surfactants, preservatives, and green chemistry solutions for consumer products.

02

Agrochemicals & Fertilizers

Crop protection, biofertilizers, and micronutrient technologies for sustainable agriculture.

04

API & Pharma Intermediates

Active ingredients and fine chemicals powering pharma excellence.

Process & Plant Engineering Zone — Empowering Industrial Transformation

A dedicated zone showcasing next-generation chemical plant design, engineering, and automation, including:

| | | |
|-------------------------------------|--|-----------------------------------|
| Process Equipment & Turnkey Plants | Pumps, Valves & Flow Control Systems | Instrumentation & Control Systems |
| Reactors, Columns & Heat Exchangers | Filtration, Drying & Material Handling | Packaging Machinery & Solutions |

Meet leading manufacturers and solution providers shaping the future of smart and efficient chemical manufacturing.

Join the Movement — Exhibit at Bharat Chemical Tech Expo 2026
